

Application for Next Generation Program

Here's what you need to know:

This program is aimed at helping emerging artists by giving them an opportunity to show and sell their work in a professional gallery setting.

To participate, you must be between the ages of 14 and 24, and be residing in Grey/Bruce counties.

We will offer you a wall space (or a case/shelving depending on your medium) for a period of one month.

Your work must be intended for sale.

The Artists' Co-op will take a 30% commission on any work sold, so please keep this in mind when pricing your work.

We will issue you a cheque for any work sold one month AFTER you have exhibited.

We will promote your work on social media (Facebook and Instagram).

Your work must be juried in. We will contact you to let you know when to bring in your art for the jurying process- bring in up to 5 pieces and your completed application. When bringing in work to be juried, it must appear as it would for sale and display in the store. Work needs to be ready to display- priced, titled and ready to install.

The Artists Co-op will handle your work with the utmost care. We regret that we cannot be responsible for any loss or damage. Applicants are responsible for their own insurance.
