The Owen Sound Artists' Co-op window is decked in stars and lights. All handcrafted items in the window are indeed for sale!

## **T'IS THE SEASON**

November 23rd members gathered for their pre-Christmas pot luck social. Artists have stocked their creative inventories in anticipation of a busy gift-giving season. The window is glowing with lights to coincide with the city's holiday theme; and stars that artists have created just for the season. If you're "window shopping" and see something that catches your eye, do come in and inquire.

*May peace and joy  
find you this season*

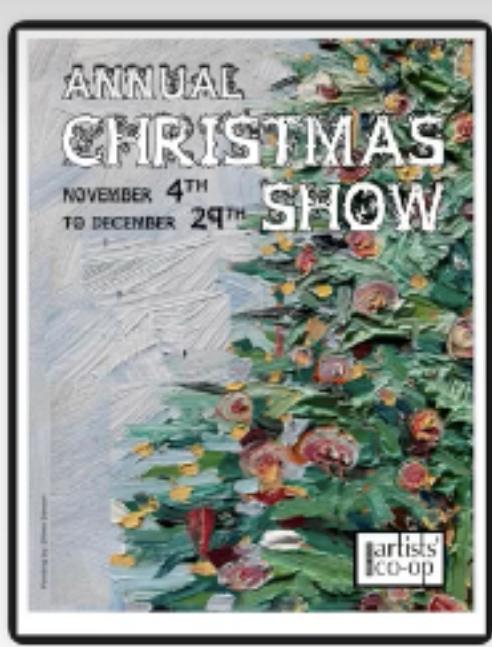

~ Bonnie Gardiner

## RESIGNING MEMBERS

Michael Armstrong - the woodturner behind Turned Out Great's pepper mills, small oil lamps, small bird houses, earring holders and other woodturned items will be resigning the end of December. Be sure to come in to the store by the end of the year to pick up a piece (or two!) of Michael's work.

We are saddened that Jim Hong Louie, potter and a long-time member of the Owen Sound Artists' Co-op will not be returning from his leave of absence in the new year.

The 40+ members of the Owen Sound Artists' Co-op would like to thank you, our faithful clientele, for your support and purchases over the past year - making the extra effort to shop local, shop Made in Canada. We look forward to seeing you this season, and in the New Year! All the best for 2026!
